- **Compatible with both Windows and Mac.**
- **Portable, aluminum design.**
- **Available in 1TB, 1.5TB and 2TB capacities.**
- **Ideal solution for storing digital photos, music and data files.**
- **Easy installation and hot swappable.**
- **Fast transfer speeds.**
- **Plug and play design.**
- **Add unlimited storage with multiple TEAC external hard drives.**

TEAC's new line of high-end 3.5" external hard disk drives are pre-formatted and ready to go. You can add reliable, high-performance storage instantly to your PC or Mac systems. Multiple drives could be added to deliver unlimited capacity.

Featuring fast access times, TEAC external hard drives deliver fast performance for data storage, backup or transporting large files between systems. Simply plug into a USB port and within seconds, your valuable data is securely transferred. Store or share your data instantly and with confidence with TEAC hard drives.

Our new sleek and rugged aluminum case design maximizes heat dissipation and keeps the hard disk drive running cooler for optimum performance. The casing prevents overheating, providing reliability and dependability for users.

Available in various capacities, TEAC hard drives are ready to use right out of the box.
